

Kind of Jazz Repertoire

Listed below are over 70 titles; a sample cross-section drawn from our repertoire of over 250 tunes. Amongst these you will find perennial favourites by Cole Porter, George Gershwin, Burt Bacharach, The Beatles, Stevie Wonder, Norah Jones and many other greats.

New tunes are continually being added to the list and we hope to have something here for everyone. However, if you don't see your particular favourite amongst these, we shall be happy to try and accommodate any further requests.
