An example of "The MPR Jazz Ensemble" Song list is below.

A nightingale sang in Berkeley Square	In a sentimental mood
All blues	It had to be you
All of me	I've never been in love before
All the things you are	Let there be love
Angel eyes	Let's fall in love
Autumn leaves	Like someone in love
Bewitched	Lover Man
Beautiful love	Lullaby of Birdland
Black Orpheus	Misty
Blue bossa	Moondance
Body and soul	My funny valentine
Bye bye blackbird	Night and day
Can't get started	On green dolphin street
Cheek to cheek	One note samba
Come fly with me	Our love is here to stay
Desifanado	So what
Don't get around much anymore	Softly as a morning sunrise
Don't worry about me	Someday my prince will come
Drop me off in Harlem	Song for my farther
Everything happens to me	Stella by starlight
Embraceable you	St. Thomas
Exactly like you	Stormy Monday
Fly me to the moon	Summertime
Foggy day	Takin' a chance on love
Gee baby ain't I good to you	Take the A train
Georgia on my mind	Take 5
Girl from impanima	Unforgettable
Have you met Miss Jones	What is this thing called love
I got rhythm	What's new
I love you	You made me love you
I remember you	You make me feel so young

And many more.....
