

THE QUARTZ STRING QUARTET

When elegance and sophistication are required the **Quartz String Quartet** are guaranteed to please. The members are all experienced orchestral and chamber players who combine their expertise to create an unobtrusive, fresh and brilliant sound.

The Quartz Quartet provide personally tailored repertoire for a wedding ceremony, stylish background music for a drinks reception (weather permitting on the lawn), and a tasteful touch of class for a wedding breakfast.

Whether you wish to celebrate, promote or reminisce – the **Quartz String Quartet** has a reputation for providing a professional service, and will always undertake to meet any special requirements.

THE QUARTZ STRING TRIO

If your occasion is a more intimate affair the Quartz String Trio (two violins & cello) would be a graceful addition to the event. We provide a similar service and repertoire to that of the Quartz Quartet, whilst still creating that distinctive refinement to the occasion.
