

Reinst80'd

Ultimate 80's Tribute Show

Reinst80'd are a well established and unique 80's Tribute Show and have become a favourite at Haven Holiday Centres and other coastal venues, as well as covering Functions alongside Pub and Club Work.

Reinst80'd's trademark is the production of sound that can only be compared to top 80's acts such as Erasure and The Pet Shop Boys. This is due to the fact that all the music is programmed by Nick; just as Vince Clarke does for Erasure – not a minidisk track in sight – you hear all the sounds from Nick's Keyboards and sequencing supported by John's guitar work when required.

Reinst80'd carry a choice of P.A. Systems to suit any size of venue. For smaller venues a Compact L.U.C.A.S. 1000W Bi-amped system is used and for larger venues a Tri-amped 5000W Peavey MaxSys system is employed. Reinst80'd are continually complimented for their high quality sound at a suitable volume for the venue.

Reinst80'd employ DMX Controlled Lighting to provide "Tailor Made" lighting sequences for each song, as well as a Star Cloth Backdrop at suitable venues.

Nick Gooch

Keyboards, Vocals

When you hear the finely crafted keyboard work over which these songs are performed you will soon realise what an extraordinary talent Nick has for recreating the sounds of the 80's. Every sound has been meticulously created and selected, paying full respect to the original artist's version and emanates from his Korg Triton keyboard, not a minidisk player! Add to this his live performance either on standard keyboard, shoulder keyboard or vocals and you will experience the ultimate recreation of 80's sounds.

John Cattermole

Vocals, Guitars, Percussion

John provides the main vocal input for the material and shows his versatility by covering songs from more than thirty different artists. He captures the "feel" of the original version without slavishly attempting to become a vocal impersonator – he adds his own quality to the songs in live performance. His sensitive and well balanced guitar work is also displayed on many songs.
